To: Comet Nation

It is my pleasure to introduce Coach Howard Brown as the McCluer Comet Head Football Coach for the 2019-2020 School Year. Below is a short message from Coach Brown.

My name is Howard Brown. After graduating from Berkeley Senior High in 1999 I went on to Mizzou and played football on a full ride scholarship. On returning to St. Louis I started to work at MS-B. I am a product of the Ferguson-Florissant School District. All but one member of my staff are products of Ferguson-Florissant, and the one who graduated elsewhere has been teaching in FFSD for 15 years. We understand and respect what this district has to offer. I have been a head coach for 15 years and our success has been consistent – 4 district championships, 2- 2nd place

finishes in districts, 2 state quarterfinal playoff appearances, one state semi-final appearance and 3 conference championships (2016, 2017, 2018). We have been ranked in the Missouri media statewide poll on 8 different occasions and spent the entire 2017 season ranked #1 in class 3. Over these 15 seasons at MS-B, 15 different players earned All-State recognition, 10 different players were voted Suburban Conference "Player of the Year," and countless others were named all-conference players. The young men have matured in a positive manner and became amazing citizens in and around our community. On behalf of myself and the amazing coaches that work tirelessly with me, we are excited and blessed to have the opportunity to come to McCluer. Together, we will establish our foundation for success – Faith & Hard Work.

Please join me in welcoming Coach Brown to Comet Nation.

Sincerely,

Dave Kastrup
Athletic Director
